General Liability coverage can be provided in the form of an appropriate endorsement to the Contractor's insurance or as a separate Owner's policy.
2. For any claims related to this contract, the Contractor's insurance coverage shall be primary insurance as respects the CVLICH, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the CVLICH, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance.
3. Each insurance policy required by these specifications shall be endorsed to state that coverage shall not be cancelled or materially changed, except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the CVLICH.
4. Maintenance of the proper insurance for the duration of the contract is a material element of the contract. Material changes in the required coverage or cancellation of the coverage shall constitute a material breach of the contract by

the Contractor.

Builder's Risk policies shall contain the following provisions:

1. The CVLICH shall be named as loss payee.
2. The insurer shall waive all rights of subrogation against the CVLICH, its officers, officials, employees and volunteers.

VERIFICATION OF COVERAGE

Contractor shall furnish the CVLICH with original certificates and amendatory endorsements effecting coverage required by these specifications. The endorsements should conform fully to the requirements. All certificates and endorsements are to be received and approved by the CVLICH in sufficient time before work commences to permit Contractor to remedy any deficiencies. The CVLICH reserves the right to require complete, certified copies of all required insurance policies, including endorsements effecting the coverage required by these specifications at any time.

SUB-CONTRACTORS

Use of sub-contractors must be pre-approved by the CVLICH. Contractor shall include all sub-contractors as insureds under its policies or shall furnish separate insurance certificates and endorsements for each sub-contractor in a manner and in such time as to permit the CVLICH to approve them before sub-contractors' work begins. All coverages for sub-contractors shall be subject to all of the requirements stated above.

NOTE: If a subcontractor will be hired to perform hazardous material remediation, that sub-contractor will name the CVLICH, its officers, officials, employees and volunteers as additional insureds on its Pollution Liability insurance policy by endorsement. Such policy will provide coverage for the hazardous material work and other hazardous material operations.

NOTE: The General Contractor's Commercial General Liability insurance should not include CG 2294 or CG 2295 as these endorsements will eliminate the General Contractor's insurance coverage for its work where the damaged work or the work out of which the damage arises was performed by a sub-contractor.
